

21st July 2014

Dear Parents

After careful consideration the committee have increased the fees hourly rate up to £4.05 an hour. We have looked at other settings in the area and we are still comparative and in places cheaper. As you know no-one makes a profit from The Hollies except the children, but we have had to cover our increasing outgoings. Liz is trying to get all bills out before the end of July. Below is a summary of fees which apply from September 2014.

The session times and fees are as follows for term-time:

We have set a standard hourly rate of £4.05 which applies from 7:30am-6:00pm.

We will be closed on bank holidays and the period between the Christmas and New Year.

Please find attached a list of term dates for next year and a weekly plan. Again the free entitlement does not cover the whole of the school year. The Autumn term this year is 13 weeks but we only receive 12 weeks of free entitlement. We have set the first week of September, week beginning 1st September as our optional week. You will be emailed this week asking whether you would like your child to:

1. attend the first week for all their sessions and the fees included in your annual bill
2. attend for some of their sessions and the fees included in your annual bill
3. start week beginning 8th September

If you have any questions please do not hesitate contacting Liz
